MARK 9:2-13

CONNECTION KIDS – JULY 19TH, 2015

SO WHAT EXACTLY IS A TRANSFIGURATION?

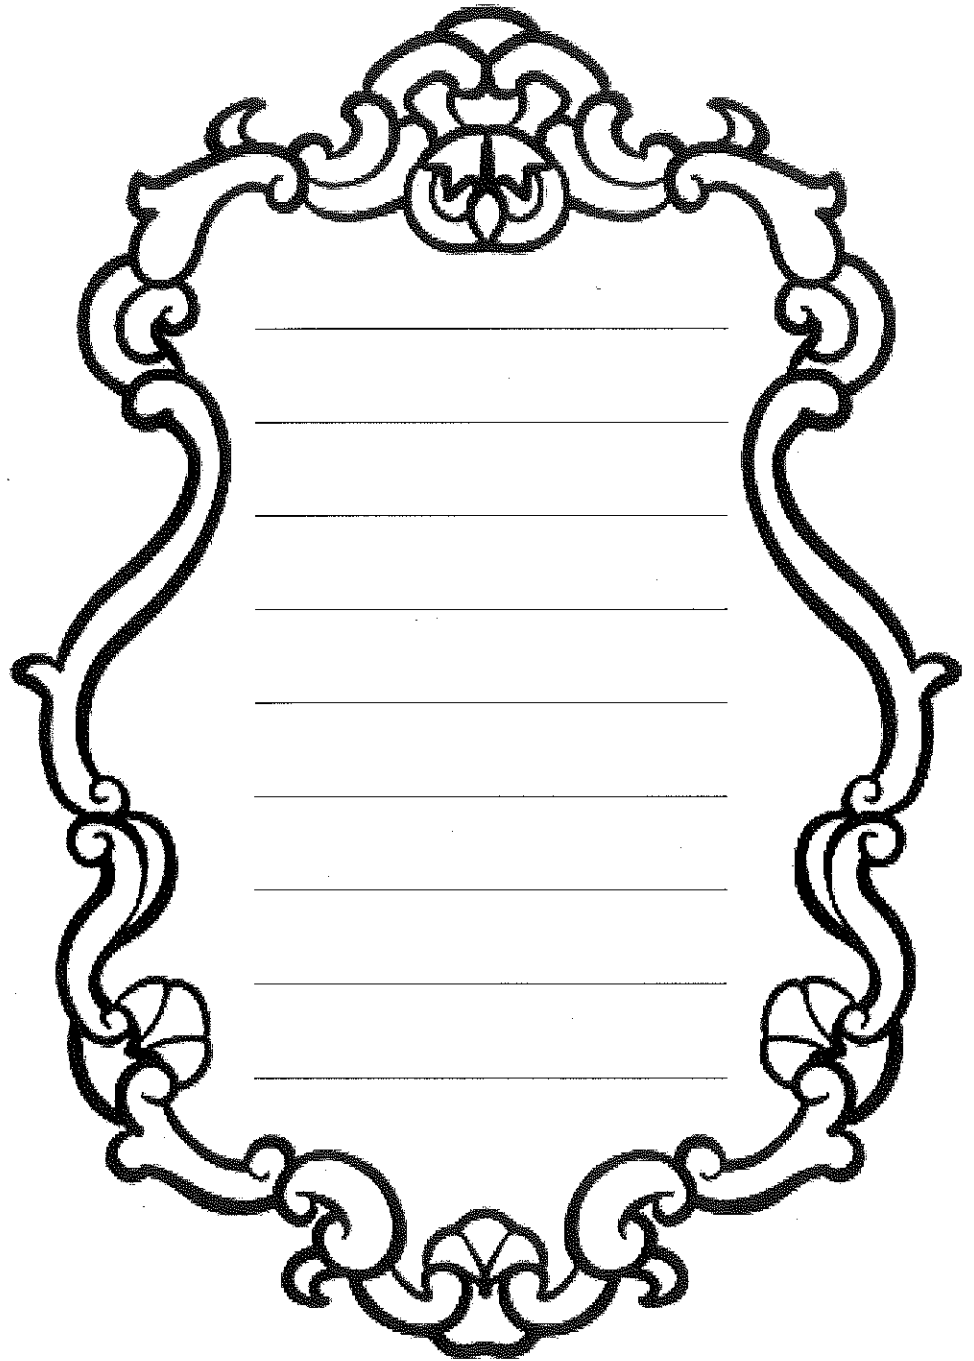

Transfiguration just means a change in how things look in order to show God's deeper truth. The disciples knew that Jesus was special, but when they saw him transform into dazzling white and begin talking with Moses & Elijah they KNEW that Jesus was really God's son, just as he said.

DRAW A PICTURE OF WHAT THE DISCIPLES SAW AT THE TRANSFIGURATION.
(IF YOU NEED SOME HINTS ABOUT THE STORY, HAVE YOUR MOM OR DAD READ MARK 9:2-13 TO YOU.)

THE BIBLE TALKS A LOT ABOUT HOW WE ARE MEANT TO
REFLECT WHO GOD IS TO THE WORLD AROUND US,
KIND OF LIKE THE REFLECTION IN A MIRROR.

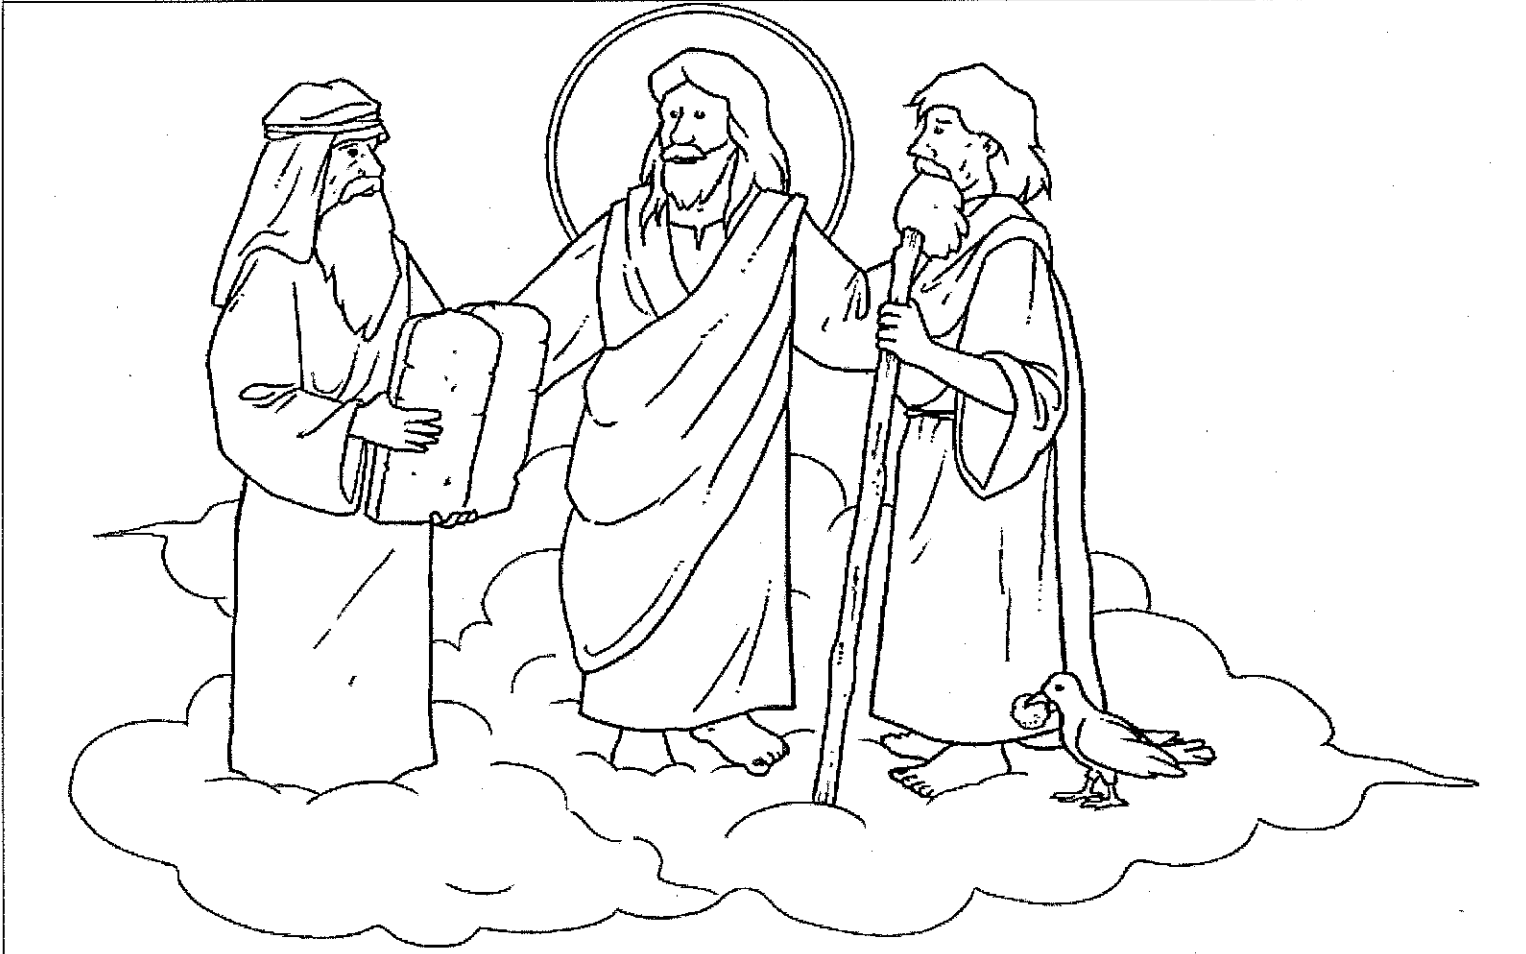

All of the words below are backwards! Can you write their proper reflection in the mirror?
